#### PROSPECTUS.

INDER the patronage and influence of prominent Land-holders, I have begun the preparation of a series of LITHOGRAPH MAPS of some of the Counties of South Carolina, accompanied by suitable letter press descriptions.

The object proposed is the circulation of 50,000 copies of these in pamphlet form, far and wide throughout the country, inviting the industrious working man, with or without capital, and from whatever quarter of the globe he may come, to seek a home in our State, particularly that portion known as the upper belt, so abounding in minerals and building material, with almost unlimited water power and blessed with a soil that will adjusted the second control of power and blessed with a soil that will adundantly repay the labors of the industrious and intelligent

1.00 To the Manufacturer, this pamphlet will show 10a12 where valuable wa er power may be had, with amount of head attainable, price of land in vicin-2.90a3.00 15a18 ity, and railroad and market facilities. 2.50a3.00

To the Miner, it will be a guide as to where he 5.00a10.00 may either find remunerative employment, or pur-chase lands, on which the valuable metalic ores are known to exist. To the Farmer, good and cheap lands will be

offered through its pages, either to buy or rent, with description of their quality and surround-

ings.
To the Laborer, it will indicate where profitable employment may be found, with local rates of On the other hand, to the large land-owner, it

affords a medium or advertising his lands, water powers and such other interests as tend to attract an influx of both labor and capital. an influx of both labor and capital.

To Railroad Companies, Land Agencies, &c., who have a deep interest in the rapid filling up and development of the resources of the State, and are desirous of bringing their claims to attention before the world, no better medium can be afforded.

All those feeling a real interest in the future proposed for the development of its resources, by attracting immigration of the right stamp, and who may be desirous of obtaining information as to further details of the plan, with terms, &c., can obtain such by addressing the undersigned.

ALEX. Y. LEE.

Norfolk, Va., Sept. 7, 1869.

Dr. J. J. Lawrence—Dear Sir: My son has received so much benefit from your wonderful Koskoo, that I cannot refrain from expressing my gratitude. I had tried almost everything without benefit. I believe, in all sincerity, that your Koskoo is an infallible remedy for the disease from which he has suffered, and, so far as I can learn,

has never failed. If you only knew the immense amount of suffering that he has undergone, then 98 East Bay and 80 and 32 VENDUE RANGE. you could conceive the value of such a remedy as Coskoo-that surely cures. The great amount of good it is now doing among us is inestimable.—

With much gratitude,

I ain, respectfully yours, &c.,

Mrs. M. E. A. NELSON.
